INDEPENDENT AUDITORS' REPORT

Board of Directors
Make-A-Wish Foundation of Central and Northern Florida
Maitland, Florida

We have audited the accompanying financial statements of Make-A-Wish Foundation of Central and Northern Florida, which comprise the statement of financial position as of August 31, 2019, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Make-A-Wish Foundation of Central and Northern Florida

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Make-A-Wish Foundation of Central and Northern Florida as of August 31, 2019, and change in its net assets and its cash flows for the year ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matters

As discussed in Note 2 to the financial statements, Make-A-Wish Foundation of Central and Northern Florida adopted a new accounting principle during the year ended August 31, 2019: Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. Make-A-Wish Foundation of Central and Northern Florida also changed an accounting policy with the elimination of the pending wish liability from the Foundation's statement of financial position. Our opinion is not modified with respect to these matters.

MAKE-A-WISH FOUNDATION OF CENTRAL AND NORTHERN FLORIDA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2019

NOTE 1 ORGANIZATION

Make-A-Wish Foundation of Central and Northern Florida (the Foundation) is a Florida nonprofit corporation, organized for the purpose of creating life changing wishes for children with critical illnesses. The Foundation is an independently operating chapter of Make-A-Wish Foundation of America (National Organization), which operates to develop and implement national programs in public relations and fundraising for the benefit of all local chapters. In addition, the local chapter is obligated to comply with a chapter agreement with the National Organization and such guidelines, resolutions, and policies as may be adopted by the National Organization's Board of Directors.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Foundation are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Cash and Cash Equivalents

The Foundation considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

Investments

Investments are recorded at fair value. Investment income, including gains and losses on investments, is recorded as increases or decreases in without donor restricted net assets unless its use is limited by donor-imposed restrictions or law.

Contributions Receivable

Contributions receivable are unconditional promises to give. Such promises that are expected to be collected within one year are recorded at expected net realizable value when the promise is received. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. Contributions receivable are discounted using fair value rates and contributions are written off when deemed uncollectible.

Property and Equipment, Net

Property and equipment having a unit cost greater than \$1,000 and a useful life of more than one year are capitalized at cost when purchased. Donated assets are capitalized at the estimated fair value at the date of receipt and restrictions are released once the asset has been placed into service. Property and equipment under capital leases are stated at the present value of future minimum lease payments at the time of acquisition. Depreciation on property and equipment is provided on a straight-line basis over the estimated useful lives of the assets, generally three to five years. Leasehold improvements are amortized over the shorter of the estimated useful life of the asset or the remaining terms of the lease(s). The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend its life are expensed as incurred.

NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2019

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment, Net (Continued)

Long-lived assets, such as property and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances indicate a long-lived asset may be impaired, the asset value will be reduced to fair value. Fair value is determined through various valuation techniques including quoted market values and third-party independent appraisals, as considered necessary.

Fair Value Measurements

Fair value measurements of financial assets and financial liabilities and fair value measurements of nonfinancial items are recognized or disclosed at fair value in the financial statements on a recurring basis. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Foundation utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The Foundation determines fair value based on assumptions that market participants would use in pricing an asset or liability in the principal or most advantageous market. When considering market participant assumptions in fair value measurements, the following fair value hierarchy distinguishes between observable and unobservable inputs, which are categorized in one of the following levels:

Level 1 – Unadjusted quoted prices in active markets for identical assets (or *Level 1* – Unadjusted quoted prices in active markets for identical assets (or liabilities) that the reporting entity has the ability to access at the measurement date.

Level 2 – Prices for a similar asset (or liability), other than quoted prices included in *Level 1* inputs, that are observable for the asset (or liability), either directly or indirectly. If the asset (or liability) has a specified term, a *Level 2* input must be observable for substantially the full term of the asset (or liability).

Level 3 – Unobservable inputs for the asset (or liability) used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset (or liability) at measurement date.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restriction when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as Net Assets Released from Restrictions.

Revenue Recognition

Unconditional promises to give are recognized initially at fair value as contributions revenue in the period such promises are made by donors. Fair value is estimated giving consideration to anticipated future cash receipts (after allowance is made for uncollectible contributions) and discounting such amounts at a risk-adjusted rate commensurate with the duration of the donor's payment plan. Amortization of the discounts is recorded as additional contributions revenue. Conditional promises are recorded as revenue once the conditions are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

MAKE-A-WISH FOUNDATION OF CENTRAL AND NORTHERN FLORIDA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2019

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

The Foundation received in-kind contributions of assets, services, and materials that are reported in the statement of activities as follows:

	<u>Programs</u>	<u>Fundraising</u>	<u>Management and General</u>	<u>Total</u>
Wish Related	\$ 996,292	\$ -	\$ -	\$ 996,292
Rent	1,625	1,068	843	3,536
Advertising and Media	-	9,000	-	9,000
Other	659	9,186	601	10,446
Total	<u>\$ 998,576</u>	<u>\$ 19,254</u>	<u>\$ 1,444</u>	1,019,274
Special Events				230,785
Inventory (Asset)				30,232
Total				<u>\$ 1,280,291</u>

An internal special event is a fundraising event coordinated and staffed by Foundation personnel rather than a third-party support group or organization. It is designed to attract people for the purpose of raising mission awareness, for increasing funding from existing donors, and the cultivation of future donors. Internal special event in-kind amounts are donated items recorded at fair value that are used in facilitating the event. Examples of such donated items are generally food, beverage, facility costs, and auction items.

Advertising and media is used to help the Foundation communicate its message or mission and includes fund raising materials, informational material, or advertising, and may be in the form of an audio or video tape of a public service announcement, a layout for a newspaper, media time or space for public service announcements, or other purposes.

Donated advertising and media are reported as contribution revenue when received and fundraising expense when used and the reporting of such contributions is unaffected by whether the Foundation could afford to purchase or would have purchased the assets at their fair value.

Income Taxes

The Foundation is a nonprofit organization exempt from federal income and Florida taxes under the provisions of Internal Revenue Code (IRC) Section 501(c)(3) and Section 12A-1.038 of the Florida Statutes, Chapter 212. However, the Foundation remains subject to income taxes on any net income that is derived from a trade or business, regularly carried on and not in furtherance of the purpose for which it was granted exemption. No income tax provision has been recorded as the net income, if any, from any unrelated trade or business, in the opinion of management, is not material to the financial statements taken as a whole.

MAKE-A-WISH FOUNDATION OF CENTRAL AND NORTHERN FLORIDA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2019

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (Continued)

Management believes that no uncertain tax positions exist for the Foundation at August 31, 2019. The Foundation files income tax returns in the U.S. federal jurisdiction, and applicable state jurisdictions.

Functional Expenses

The Foundation performs three functions: wish granting and program-related support, fundraising, and management and general. Definitions of these functions are as follows:

Wish Granting

Activities performed by the Foundation that grant wishes to children with critical illnesses.

Program-Related Support

Activities performed by the Foundation related to the wish program including the identification of wish candidates and the determination and delivery of each wish. Specific activities include, but are not limited to, the development of wish resources, handling of wish referrals, and administration of the wish program.

Fundraising

Activities performed by the Foundation to generate funds and/or resources to support its programs and operations.

Management and General

All costs not identifiable with a specific program or fundraising activity, but indispensable to the conduct of such programs and activities and to the Foundation's existence, are included as management and general expenses. This includes expenses for the overall direction of the Foundation, business management, general recordkeeping, budgeting, financial reporting, and activities relating to these functions such as salaries, rent, supplies, equipment, and other expenses.

Expenses that benefit more than one function of the Foundation are allocated among the functions based generally on the amount of time spent by employees on each function.

Deferred Rent

The Foundation accounts for rent expense evenly over the term of the lease using the straight-line method. The unamortized deferred rent was \$1,863 at August 31, 2019.

Management Estimates

The preparation of financial statements in conformity with GAAP requires management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Change in Accounting Principle – Adoption of ASU 2016-14

On August 18, 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Foundation has implemented ASU 2016-14 and has adjusted the presentation in these financial statements accordingly. The adoption of this standard did not impact the Foundation’s net assets as of September 1, 2018.

Change in Accounting Policy – Pending Wish Liability

Through the fiscal year ending August 31, 2018, the Foundation accrued for estimated costs of reportable pending wishes when five certain, measurable wish criteria were met. This accrual did not represent a legally binding liability but was considered a moral obligation to the child by the Foundation arising when the five criteria were met. Given the changes to the wish granting environment that have occurred in recent years, the Foundation determined that the calculation was no longer representative of the future obligations. The Foundation remains committed to its mission. Please see the commitment footnote for details about future wish granting obligations. As a result of this change in accounting policy, net assets without restriction as of September 1, 2018 have increased by \$2,307,486.

NOTE 3 LIQUIDITY AND AVAILABILITY

The Foundation monitors liquidity regularly through the monthly financial package provided to the board and through the enterprise-wide benchmarks of excellence. Holding 6 months to 24 months of liquidity is considered excellent based off the enterprise-wide published scale.

Total Financial Assets	\$	5,132,382
Donor Imposed Restrictions:		
Restricted Funds		(173,401)
Net Financial Assets after Donor-Imposed Restrictions		4,958,981
Financial Assets Available to Meet Cash Needs for General Expenditures Within One Year	\$	4,958,981

As part of the Foundation’s liquidity management plan, the Foundation invests cash in excess of daily requirements in short-term investments.

MAKE-A-WISH FOUNDATION OF CENTRAL AND NORTHERN FLORIDA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2019

NOTE 4 FAIR VALUE MEASUREMENTS

Fair Value of Financial Instruments

Fair value is defined as the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair values of the financial instruments shown in the following table as of August 31, 2019, represent the amounts that would be received to sell those assets or that would be paid to transfer those liabilities in an orderly transaction between market participants at that date. Those fair value measurements maximize the use of observable inputs. However, in situations where there is little, if any, market activity for the asset or liability at the measurement date, the fair value measurement reflects the Foundation's own judgments about the assumptions that market participants would use in pricing the asset or liability. Those judgments are developed by the Foundation based on the best information available in the circumstances, including expected cash flows and appropriately risk-adjusted discount rates, and available observable and unobservable inputs.

Investments

Overall Investment Objective

The overall investment objective of the Foundation is to invest its assets in a prudent manner that will achieve a long-term rate of return sufficient to fund a portion of its annual operating activities and increase investment value after inflation. The Foundation diversifies its investments among various asset classes incorporating multiple strategies and managers. Major investment decisions are authorized by the board's audit and finance committee, which oversees the Foundation's investment program in accordance with established guidelines.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value Hierarchy

The following table presents the placement in the fair value hierarchy of assets and liabilities that are measured at fair value on a recurring basis at August 31, 2019:

	Quoted Prices in Active Markets or Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Assets:				
Investments:				
Mutual Funds	\$ 1,019,293	\$ -	\$ -	\$ 1,019,293
Exchange Traded Funds	186,564	-	-	186,564
Equity Securities	507,332	-	-	507,332
Debt Securities	-	165,987	-	165,987
Cash	-	-	-	56,558
Total	<u>\$ 1,713,189</u>	<u>\$ 165,987</u>	<u>\$ -</u>	<u>\$ 1,935,734</u>

For the valuation of debt securities at August 31, 2019, the Foundation used significant other observable inputs, particularly dealer market prices for comparable investments as of the valuation date (Level 2).

NOTE 5 CONTRIBUTIONS RECEIVABLE

The Foundation's contributions receivable as of August 31, 2019 were \$210,566, which are due from six donors. All contributions receivable are due within the next twelve months. Management determined that all contributions receivable are fully collectible; therefore, no allowance for uncollectible accounts is considered necessary at August 31, 2019.

NOTE 6 TRANSACTIONS WITH RELATED ENTITIES

The National Organization conducts national fundraising efforts for which cash and in-kind donations are received and shared with the Foundation. These funds represent revenues associated with: distributions from national partners, individual donation amounts collected via online and white mail donations, amounts for internal grants, travel, and training scholarships, amounts to fund the Adopt-A-Wish® program, and other miscellaneous revenues. During the year ended August 31, 2019, the Foundation received \$1,023,790 from these national revenue streams.

MAKE-A-WISH FOUNDATION OF CENTRAL AND NORTHERN FLORIDA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2019

NOTE 6 TRANSACTIONS WITH RELATED ENTITIES (CONTINUED)

Conversely, the Foundation pays amounts to the National Organization for chapter dues, insurance, and other miscellaneous ancillary expenses that the National Organization pays on behalf of the Foundation. Amounts totaling \$250,321 were paid from the Foundation to the National Organization during the year ended August 31, 2019.

Chapters who assist with the organization and granting of wishes from other chapters are paid a “fee for service” called the wish assist fee. Under this program, the originating chapter agrees to pay a fee to the chapter of the wish destination to assist with any planning, booking, and facilitating of the wish for the home chapter. Under this program, the Foundation received \$127,025 for the year ended August 31, 2019, which is recorded in the accompanying statement of activities as other income.

Amounts due from and to related entities at August 31, 2019 are as follows:

Due from National Organization	\$ 118,781
Due from Other Chapters	15,753
Total Due from Related Entities	<u>\$ 134,534</u>
Due to National Organization	\$ 3,258
Due to Other Chapters	24,351
Total Due to Related Entities	<u>\$ 27,609</u>

Amounts due from the National Organization represent contributions remitted to the National Organization that are identified for the Foundation’s use but were not yet transferred to the Foundation as of year-end. Amounts due from other chapters represent amounts paid in assisting other chapters with their wish granting.
